Description :

PDF-689ec | This book is a comprehensive study of cooperation among the advanced capitalist countries. Can cooperation persist without the dominance of a single power, such as the United States after World War II? To answer this pressing question, Robert Keohane analyzes the institutions, or "international regimes," through which cooperation has taken place in the world political economy and describes the evo... *After Hegemony: Cooperation and Discord in the World Political Economy (Princeton Classic Editions)*
