Description :

PDF-a45bf | In this book, Eric Hobsbawm chronicles the events and trends that led to the triumph of private enterprise and its exponents in the years between 1848 and 1875. Along with Hobsbawm's other volumes, this book constitutes an intellectual key to the origins of the world in which we now live. Although it pulses with great events—failed revolutions, catastrophic wars, and a global depression—... *The Age of Capital: 1848-1875*
