Description :

PDF-7a269 | The United States is currently embroiled in a national debate over the growing public health crisis caused by poor diet. People are starting to ask who is to blame and how can we fix the problem, especially among children. Major food companies are responding with a massive public relations campaign. These companies, including McDonald's, Coca-Cola, Kraft, and General Mills, are increasingly on the... *Appetite for Profit: How the food industry undermines our health and how to fight back*
