Description :

PDF-9a11a | Why we should put full employment back on the national agenda and how we can summon the political will to achieve it. Full employment used to be an explicit goal of economic policy in most of the industrialized world. Some countries even achieved it. In *Back to Full Employment*, economist Robert Pollin argues that the United States--today faced with its highest level of unemployment since the Great ... *Back to Full Employment (Boston Review Books)*
