Description :

PDF-05e27 | We are operating in a world defined by constant connection, rapid change, and abundant choices. News that once took months, even years, to spread now reaches across the globe in seconds. Advances in medicine and science are pushing boundaries with gene therapy and stem cell transplants. And decisions about where and how to work and live are nearly endless. As new knowledge--and the possibilities... *Be Bad First: Get Good at Things Fast to Stay Ready for the Future*
