Description :

PDF-af9f9 | Technology is changing money and this book looks at where it might be taking us. Technology has transformed money from physical objects to intangible information. With the arrival of smart cards, mobile phones and Bitcoin it has become easier than ever to create new forms of money. Crucially, money is also inextricably connected with our identities. Your card or phone is a security device that can... *Before Babylon, Beyond Bitcoin: From Money That We Understand to Money That Understands Us (Perspectives)*
