Description :

PDF-f127e | Nobody wants to fail. But in highly complex organizations, success can happen only when we confront our mistakes, learn from our own version of a black box, and create a climate where it's safe to fail. ?We all have to endure failure from time to time, whether it's underperforming at a job interview, flunking an exam, or losing a pickup basketball game. But for people working in safety-criti... *Black Box Thinking: Why Most People Never Learn from Their Mistakes--But Some Do*
