ISBN : #0809030470 | Date : 2007-06-26

Description :

PDF-63db2 | Nineteenth-century globalization made America exceptional. On the back of European money and immigration, America became an empire with considerable skill at conquest but little experience administering other people's, or its own, affairs, which it preferred to leave to the energies of private enterprise. The nation's resulting state institutions and traditions left America immune to the trends of... *Blessed Among Nations: How the World Made America*
