Description :

PDF-bd681 | Faced with low retirement savings, extended longevity and rampant ageism, the baby boomer generation (born 1946-1964) is in the throes of a career and financial crisis. With less than 25% of the generation financially prepared to retire, the majority (between 60 70 million Americans) are going to need to keep working for as long as possible. But how can they find jobs or start businesses in a mar... *Boomer Reinvention: How to Create Your Dream Career Over 50*
