Description :

PDF-090f7 | Neoliberalism--the doctrine that market exchange is an ethic in itself, capable of acting as a guide for all human action--has become dominant in both thought and practice throughout much of the world since 1970 or so. Writing for a wide audience, David Harvey, author of *The New Imperialism* and *The Condition of Postmodernity*, here tells the political-economic story of where neoliberalization came ... *A Brief History of Neoliberalism*
