Description :

PDF-ed96c | Proven, Profitable, and Sustainable For the past fifty years, leaders in the business world have believed that their sole responsibility is to maximize profit for shareholders. But this obsessive focus was a major cause of the abuses that nearly sunk the global economy in 2008. In this analytically rigorous and eminently practical book, Bruno Roche and Jay Jakub offer a more complete form of capi... *Completing Capitalism: Heal Business to Heal the World*
