Description :

PDF-6cc5a | Ethical business creates social value. That's the theme of this bold new volume, heralding and defending this rapidly-growing new conception of capitalism making its way into the mainstream. It provides clear and succinct guidelines for how to evaluate what counts as an ethical business as well as how and why ethical businesses tend to succeed better over the long term. The book is jargon-free and... *Doing Well and Good: The Human Face of the New Capitalism (Ethics and Practice)*
