ISBN : #1597266817 | Date : 2010-10-18

Description :

PDF-cb0fc | In its first edition, this book helped to define the emerging field of ecological economics. This new edition surveys the field today. It incorporates all of the latest research findings and grounds economic inquiry in a more robust understanding of human needs and behavior. Humans and ecological systems, it argues, are inextricably bound together in complex and long-misunderstood ways. Accordin... *Ecological Economics, Second Edition: Principles and Applications*
