Description :

PDF-14460 | There are fewer people living in extreme poverty in the world today than 30 years ago. While that is an achievement, continuing progress for poor people is far from assured. Inequalities in access to key resources threaten to stall growth and poverty reduction in many places. The world's poorest have made only a small absolute gain over those 30 years. Progress has been slow against relative pover... *The Economics of Poverty: History, Measurement, and Policy*
