Description :

PDF-edc3e | Today's retirement looks nothing like your parents' experience. Our longer life expectancy and increasing intellectual capital have transformed our notion of the golden years. Often we're just not ready for a life without work. We fear outliving our money and our meaning. We want to stay productive (whatever that means to us personally) well into the future and for baby boomers and the following g... *The Encore Curve: Retire with a Life Plan that Excites You*
