Description :

PDF-bd919 | If you are human, you are biased. From this fundamental truth, diversity expert Howard Ross explores the biases we each carry within us. Most people do not see themselves as biased towards people of different races or different genders. And yet in virtually every area of modern life disparities remain. Even in corporate America, which has for the most part embraced the idea of diversity as a mains... *Everyday Bias: Identifying and Navigating Unconscious Judgments in Our Daily Lives*
