Description :

PDF-6414f | Admit it, we all hate annual performance appraisals, and with good reason. • Over 85% of companies say that their current performance management processes are only "moderately effective." • Only 50% of employees believe that their managers provide them with honest feedback that actually improves their job performance. • Managers spend, on average, 400 hours per year on the process! The retur... *Finally! Performance Assessment That Works: Big Five Performance Management*
