Description :

PDF-1352f | The economic crisis of 2008 led to an unprecedented focus on the world of high finance—and revealed it to be far more arcane and influential than most people could ever have imagined. Any hope of avoiding future crises, it's clear, rest on understanding finance itself.

To understand finance, however, we have to learn its history, and this book fills that need. Kevin R. B... *Finance in America: An Unfinished Story*
