Description :

PDF-471c3 | Praise for The Gamification of Learning and Instruction "Kapp argues convincingly that gamification is not just about adding points, levels and badges to an eLearning program, but about fundamentally rethinking learning design. He has put together a brilliant primer for learning professionals on how to gamify learning, packed with useful advice and examples." —ANDERS GRONSTEDT, president, Gronst... *The Gamification of Learning and Instruction: Game-based Methods and Strategies for Training and Education*
