Description :

PDF-11ea9 | A Pulitzer Prize–winning journalist takes readers on a surprising tour of America’s biggest export, our most prodigious product, and our greatest legacy: our trash. The average American produces 102 tons of garbage across a lifetime and \$50 billion in squandered riches are rolled to the curb each year. But our bins are just the starting point for a strange, impressive, mysterious, and costly journey... *Garbology: Our Dirty Love Affair with Trash*
