ISBN : #0674503767 | Date : 2015-05-04

Description :

PDF-afc5d | Just as economists struggle today to justify the free market after the global economic crisis, an earlier generation revisited their worldview after the Great Depression. In this intellectual history of that project, Burgin traces the evolution of postwar economic thought in order to reconsider the most basic assumptions of a market-centered world.... *The Great Persuasion: Reinventing Free Markets since the Depression*
