Description :

PDF-913e9 | This is the only book on hiring that blends the research on levels of work with the discipline of behavioral interviewing. Every role has a level of decision making, a level of problem solving. The research on levels of work, pioneered by the late Dr. Elliott Jaques, is powerful science. The discipline of behavioral interviewing is the most effective method for its application. This is the only bo... *Hiring Talent: Decoding Levels of Work in the Behavioral Interview*
