ISBN : #0745336159 | Date : 2015-07-15

Description :

PDF-ca346 | How the West Came to Rule offers a unique interdisciplinary and international historical account of the origins of capitalism. It argues that contrary to dominant wisdom, capitalism's origins should not be understood as a development confined to the geographically and culturally sealed borders of Europe, but the outcome of a wider array of global processes in which non-European societies played ... *How the West Came to Rule: The Geopolitical Origins of Capitalism*
