ISBN : #1910056502 | Date : 2017-01-05

Description :

PDF-bff0d | HR has lost its way and needs to find a new direction.

The central question this book sets out to answer is: if we are to survive and thrive in this new, volatile business world, how do we lead, manage, engage and support our employees in a radically different way? HR departments, and companies, need to transform their approach. This entails not simply tinkering with the process or the mechanics... *HR Disrupted: It's time for something different*
