Description :

PDF-6b6cc | “The entire conversation took five minutes. When it was over, Bill and I looked at each other. It was one thing to talk about writing a language for a microprocessor and another to get the job done....If we’d been older or known better, Bill and I might have been put off by the task in front of us. But we were young and green enough to believe that we just might pull it off.”Paul Allen, best... *Idea Man: A Memoir by the Cofounder of Microsoft*
