by Peter N Stearns : **The Industrial Revolution in World History**

ISBN : #0813347297 | Date : 2012-08-07

Description :

PDF-d0ed7 | The industrial revolution was the single most important development in human history over the past three centuries, and it continues to shape the contemporary world. With new methods and organizations for producing goods, industrialization altered where people live, how they play, and even how they define political issues. By exploring the ways the industrial revolution reshaped world history, thi... *The Industrial Revolution in World History*
