Description :

PDF-0c06b | The originators of classical political economy—Adam Smith, David Ricardo, James Steuart, and others—created a discourse that explained the logic, the origin, and, in many respects, the essential rightness of capitalism. But, in the great texts of that discourse, these writers downplayed a crucial requirement for capitalism's creation: For it to succeed, peasants would have to abandon their s... *The Invention of Capitalism: Classical Political Economy and the Secret History of Primitive Accumulation*
