Description :

PDF-863a6 | The idea that work might be fulfilling rather than just painfully necessary is a strikingly recent invention. Nowadays, in prosperous areas of the world, we don't only expect to obtain money through labour, we also, to a greater or lesser extent, expect to find meaning and satisfaction. It's a big ask and explains why career crises are so common. Unfortunately, it is devilishly hard to understand... *A Job to Love: A practical guide to finding fulfilling work by better understanding yourself.*
