Description :

PDF-0c046 | Fundamentally, labor's story is the story of the American people. To view it narrowly, to concentrate on the history of specific trade unions or on the careers of individuals and their rivalries, would be to miss the point that the great forces which have swept the American people into action have been the very forces that have also molded labor. Trade unionism was born as an effective national mo... *Labor's Untold Story: The Adventure Story of the Battles, Betrayals and Victories of American Working Men and Women*
