Description :

PDF-650eb | The Long Twentieth Century traces the relationship between capital accumulation and state formation over a 700-year period. Arrighi argues that capitalism has unfolded as a succession of “long centuries,” each of which produced a new world power that secured control over an expanding world-economic space.

Examining the changing fortunes of Florentine, Venetian, Genoese, Dutch, English and fina... *The Long Twentieth Century: Money, Power and the Origins of Our Times*
