Description :

PDF-68fb0 | What happens when the market tries to help the poor?

In many parts of the world today, neoliberal development programs are offering ordinary people the tools of free enterprise as the means to well-being and empowerment. Schemes to transform the poor into small-scale entrepreneurs promise them the benefits of the market and access to the rewards of globalization. Markets of Dispossession is a theo... *Markets of Dispossession: NGOs, Economic Development, and the State in Cairo (Politics, History, and Culture)*
