Description :

PDF-7c3d9 | We often hear stories of executives who are abruptly fired from high-profile roles. The residual effects negatively impact the entire organization, and can derail a New Leader's career and personal life. Why do New Leaders really fail? Although organizations do a good job at selection, many continue to blame a lack of fit as the primary cause of New Leader derailment. This book offers a differen... *The Myth of Fit: Unlock New Leader Success with High-Impact Onboarding*
