Description :

PDF-a36fd | Born out of crisis a century ago, the Federal Reserve has become the most powerful macroeconomic policymaker and financial regulator in the world. The Myth of Independence traces the Fed's transformation from a weak, secretive, and decentralized institution in 1913 to a remarkably transparent central bank a century later. Offering a unique account of Congress's role in steering this evolution,... *The Myth of Independence: How Congress Governs the Federal Reserve*
