Description :

PDF-6daa8 | The United States Postal Service is a wondrous American creation. Seven days a week, its army of 300,000 letter carriers delivers 513 million pieces of mail, more than forty percent of the world's volume. It is far more efficient than any other mail service—more than twice as efficient as the Japanese and easily outpacing the Germans and British. And the USPS has a storied history.
