by Hilary Scarlett : **Neuroscience for Organizational Change: An Evidence-based Practical Guide to Managing Change**

ISBN : #0749474882 | Date : 2016-02-28

Description :

PDF-53880 | As the pace of change in organizations increases, leaders and HR personnel must support their employees, show understanding as to why employees might react in a certain way, what they need from their working relationships, and how staff might be better motivated. Neuroscience can offer insights into all these issues. Neuroscience for Organizational Change shows how to take the findings from n... *Neuroscience for Organizational Change: An Evidence-based Practical Guide to Managing Change*
