Description :

PDF-7d50a | Society is broken. We can design our way to a better one. In our interconnected world, self-interest and social-interest are rapidly becoming indistinguishable. If current negative trajectories remain, including growing climate destabilization, biodiversity loss, and economic inequality, an impending future of ecological collapse and societal destabilization will make "personal success" virtually m... *The New Human Rights Movement: Reinventing the Economy to End Oppression*
