Description :

PDF-3f32d | There is no HR-related topic more popular in the business press than performance management (PM). There has been an explosion in writing on this topic in the past 5 years, condemning it as a failure and calling for fundamental change. The vast majority of organizations use the same basic process which I call “Last Generation Performance Management” or PM 1.0 for short. Despite widespread agree... *Next Generation Performance Management: The Triumph Of Science Over Myth And Superstition*
