Description :

PDF-6ac7b | It may be as important for investors to know what not to do in investing as to know what to do. While investors are bombarded with the "buy me, buy me" books, little is said to train them in what to avoid. Nobody Knows Anything teaches investors what to avoid and how to trade using their own knowledge and experience rather than simply following the lemmings over the cliff of the latest investment ... *Nobody Knows Anything: Investing Basics Learn to Ignore the Experts, the Gurus and other Fools*
