ISBN : #0521661021 | Date : 2002-02-11

Description :

PDF-4e060 | This is the first comprehensive analysis of the economic transition from antiquity to the Middle Ages in over sixty years. It brings fresh evidence to bear on the fall of the Roman empire and the origins of the medieval economy. The book uses new material from recent excavations, and develops a new method for the study of hundreds of travelers to reconstitute the communications infrastructure that... *Origins of the European Economy: Communications and Commerce AD 300 - 900*
