Description :

PDF-936ea | Collected here, the Massey Lectures from legendary novelist Margaret Atwood investigate the highly topical subject of debt. She doesn't talk about high finance or managing money; instead, she goes far deeper to explore debt as an ancient and central motif in religion, literature, and the structure of human societies. By looking at how debt has informed our thinking from preliterate times to the ... *Payback: Debt and the Shadow Side of Wealth*
