AwardPredicting The Turn is your rule book for the new game of high-stakes business. The Fortune 500 was first published in 1955, and since that time, 89 percent of the list has completely turned over. When the S&P 500 was launched in 1958, the average company remained in the index for roughly 61 years. Today, an S&P 500 company is being replaced about onc... *Predicting the Turn: The High Stakes Game of Business Between Startups and Blue Chips*
