Description :

PDF-4b81b | How did Americans come to quantify their society's progress and well-being in units of money? In today's GDP-run world, prices are the standard measure of not only our goods and commodities but our environment, our communities, our nation, even our self-worth. The Pricing of Progress traces the long history of how and why we moderns adopted the monetizing values and valuations of capitalism as... *The Pricing of Progress: Economic Indicators and the Capitalization of American Life*
