Description :

PDF-b781f | Why has median income stopped rising in the US? Why is the share of population that is working falling so rapidly? Why are our economy and society becoming more unequal? A popular explanation right now is that the root cause underlying these symptoms is technological stagnation-- a slowdown in the kinds of ideas and inventions that bring progress and prosperity. In *Race Against the Machine*, M... *Race Against the Machine: How the Digital Revolution is Accelerating Innovation, Driving Productivity, and Irreversibly Transforming Employment and the Economy*
