Description :

PDF-67cfb | A Practical Guide in Five StepsMost executives will lead or be a part of a reorganization effort (a reorg) at some point in their careers. And with good reason—reorgs are one of the best ways for companies to unlock latent value, especially in a changing business environment.But everyone hates them.No other management practice creates more anxiety and fear among employees or does more to distract... *ReOrg: How to Get It Right*
