Description :

PDF-3c047 | "What I am seeking here is a better understanding of the contradictions of capital, not of capitalism. I want to know how the economic engine of capitalism works the way it does, and why it might stutter and stall and sometimes appear to be on the verge of collapse. I also want to show why this economic engine should be replaced, and with what." --from the IntroductionTo modern Western society, ca... *Seventeen Contradictions and the End of Capitalism*
