Description :

PDF-a5b23 | STATISTICS: LEARNING FROM DATA, by respected and successful author Roxy Peck, resolves common problems faced by learners of elementary statistics with an innovative approach. Peck tackles the areas learners struggle with most--probability, hypothesis testing, and selecting an appropriate method of analysis--unlike any book on the market. Probability coverage is based on current research that shows... *Statistics: Learning from Data (with JMP and JMP Statistical Discovery Software Printed Access Card)*
