Description :

PDF-0be89 | The story of the epic contest between shipping magnates Samuel Cunard and Edward Collins for mid-19th century control of the Atlantic. Between 1815 and the American Civil War, the greatest invention of the Industrial Revolution delivered a sea change in oceanic transportation. Steam travel transformed the Atlantic into a pulsating highway, dominated by ports in Liverpool and New York, as steamship... *Steam Titans: Cunard, Collins, and the Epic Battle for Commerce on the North Atlantic*
