Description :

PDF-a7106 | Research clearly indicates that there is a strong need for the Human Resources (HR) function, and the people in it, to adopt a more strategic and business-linked approach. In one study business executives ranked the HR function as third, after sales and customer service, as a function that makes a very significant contribution to a company's bottom line. Unfortunately research also indicates tha... *Strategic Business Partner: Aligning People Strategies with Business Goals*
