Description :

PDF-cfe2d | After months of various drafts and political infighting, Congress finally passed, and President Obama signed into law, a bill that was supposedly the biggest financial reform bill in decades. The big question is, do the supporters of this bill really believe it will change Wall Street? Or do they simply hope it'll be enough to placate us so the status quo can be validated? Nomi Prins assumes the l... *It Takes a Pillage: An Epic Tale of Power, Deceit, and Untold Trillions*
