Description :

PDF-83cf3 | This timely book challenges conventional business wisdom about competition, secrecy, motivation, and creativity. Orly Lobel, an internationally acclaimed expert in the law and economics of human capital, warns that a set of counterproductive mentalities are stifling innovation in many regions and companies. Lobel asks how innovators, entrepreneurs, research teams, and every one of us who experien... *Talent Wants to Be Free: Why We Should Learn to Love Leaks, Raids, and Free Riding*
